

Gently Bitten

Gently Bitten Productions

Femdom Collaborations

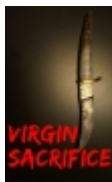

Recordings made in collaboration with another hypnotist. These are multi-track recordings with suggestions and sounds weaving around a hypnotic storyline by me (Chewtoy); but the stories are strongly female-dominant and the voice is a woman's; different hypno dommes with their own styles of induction who wanted to do a joint project together.

If you like my femdom stories, you will probably love these. :)

Mind Control Complex **\$28.99**

You go to rescue a friend, from a dangerous place, but can you make it out, together? [\[Product Details...\]](#)

Virgin Sacrifice **\$26.99**

You've sworn to free the hypnotized villagers from their dark snake-goddess's thrall. How much easier would it be, to forget, and join them? [\[Product Details...\]](#)

The Truth **\$15.99**

This is not an interrogation. You are here to learn The Truth. [\[Product Details...\]](#)
